

Capital Equity Markets Bonus Agreement

To receive a Bonus from **Capital Equity Markets**, you must carefully read and agree to the following terms and conditions.

1. General Terms

- The decision to offer a Bonus is solely at the discretion of the Company. The Company will assess the information you provide during the application process, including, but not limited to, your financial situation and trading experience.
 - If you wish to receive a Bonus, you are required to thoroughly review and accept the Terms and Conditions outlined in this agreement.
 - The Bonus can only be applied to one account per client. If you have multiple Trading Accounts, you must specify which account the Bonus will be applied to by contacting us at support@capitalequitymarkets.com
-

2. Bonus Conditions

- **Bonus Allocation:** The Company periodically offers various bonus schemes, with amounts determined by the initial deposit in the Trading Account. The Bonus becomes part of the deposit to support trading results but is not eligible for withdrawal until the **Required Trading Volume** is met.
 - **Required Volume:** To withdraw the Bonus, you must execute trades equivalent to: **(Total Bonus) ÷ 3 = Number of lots to be traded.**
Example: If you receive a Bonus of \$3,000, you must trade **3,000 ÷ 3 = 1,000 lots** (only closed trades are considered) before the Bonus can be withdrawn.
 - **Eligible Trades:** Only trades involving forex or commodity financial instruments count toward the required lots. Trades in equities, indices, or other instruments are excluded.
-

3. Withdrawals

- **Irregular Withdrawals:** You may withdraw your own funds at any time, even before reaching the Required Trading Volume. However, proportionate Bonus withdrawals are not allowed.
 - **Calculation for Withdrawals:** Any profits or losses resulting from your trading activity will be allocated to you in proportion to your funds.
-

4. Trading Platform and Support

- **Capital Equity Markets** provides an online trading platform designed to offer an optimal trading environment with continuous support and a focus on security.
 - Please note that **CFD trading**, particularly when leveraged, involves significant risk and may not be suitable for all investors.
-

5. Responsibilities and Risk

- **Capital Equity Markets** does not provide trading advice, recommendations, or guidance regarding its services. All trading decisions are your sole responsibility and are undertaken at your own risk.
 - The Company is not liable for any losses incurred during trading. It is strongly recommended that you seek independent legal, financial, or tax advice before engaging in trading activities.
-

6. Abuse and Termination

- If the Company suspects abuse, attempted abuse, or any act of bad faith toward the Bonus Terms and Conditions, it reserves the right to deny, withhold, or withdraw the Bonus from the client.
 - In cases of abuse, the Company may also block or terminate access to the Trading Account.
Note: The Company will not be responsible for any consequences, including open position losses, resulting from the cancellation or removal of the Bonus.
 - Determination of abuse or manipulation of the Bonus or trading platform is at the sole discretion of the Company.
-

7. Modifications and Revocation

- The Company retains the right to revoke or modify the Bonus at any time.
 - In such cases, clients may:
 - Continue using the existing Bonus under its current terms.
 - Accept new Terms and Conditions.
 - Cancel the Bonus without penalty and without being deemed to have failed to meet the Bonus conditions.
-
